Parent/Guardian Feedback

Thank you so much for supporting your child's participation in the *Imagine a Canada* program! We greatly appreciated receiving their art work and vision as well as the opportunity to host both of you at the National Leadership Gathering. Working with the Honourees was strong affirmation for us of the incredible role our young people have to play in shaping Canada into the society it was always meant to be.

We want to make *Imagine a Canada* the best possible program it can be. Please take a couple of minutes to share your thoughts with us about your experience with *Imagine a Canada* and how we can make it even better!
