Youth Feedback

Thank you so much for your very important contribution to Reconciliation in Canada through your submission to *the Imagine a Canada* program! We received many impressive and inspirational projects from across the country, which truly reminds us of the incredible role our young people have to play in shaping Canada into the society it was always meant to be.

We want to make *Imagine a Canada* the best possible program it can be. Please take a couple of minutes to share your thoughts with us about *Imagine a Canada* and how we can make it even better!
